JOB OPPORTUNITY POSTING

Job Title: LCSW

Employer/ Agency: Oak Ridge Institute for Science and Education (ORISE)

Job Description: We are an educational program which offers research appointments to individuals who are in college or have recently graduated with a focus on the sciences to include public health. All appointments are paid through government stipends and most include health insurance and paid relocation.

We have an opportunity located in Fort Hood, TX, see attached, for a LCSW who would focus on the military population and it's issues, (domestic violence, substance abuse, suicide intervention). This person would be required to conduct research and act as a liaison with local organizations within the military installation to find out how to better serve the soldier population and their families. We also have a need for the Aberdeen, MD area, too.
