Greetings PeaceJam Participants:

The Greater Texas PeaceJam Affiliate is very excited to invite you and the youth you work with to PeaceJam 2008, March 29th and 30th at the University of Houston. The honored guest will be Nobel Peace Laureate Betty Williams of Northern Ireland.

The PeaceJam Youth Conference is a two-day event, Saturday and Sunday. Overnight housing on the University campus is not available, but we are more than happy to assist in finding accommodations as needed.

Attached you will find the adult and student registration forms. A form must be received for each youth and adult. There are no refunds, but the reserved space is interchangeable.

To access forms online visit: www.sw.uh.edu/communityoutreach/pj_registration.php

► Please return completed forms no later than Friday, March 7, 2008. ◀

There is a bulk discount for groups of 15 or more. Please contact the PeaceJam office to discuss financial assistance, bulk discounts or scholarships.

Upon receiving completed registration forms, you will receive a conference schedule along with descriptions of workshops and the service-learning project. Campus details, including parking and a map, will also be provided.

We are excited about the Greater Texas PeaceJam 2008 Youth Conference! I know that this year's conference will be a blast and has the potential to be a life-altering occasion for all involved. There is plenty of room, so please bring as many youth as possible!

Please do not hesitate to contact me with any questions, comments or concerns.
